who we are

Our Story & Brand Foundation

Everything in this guide grows from one story: two travellers
on a road who found they weren't walking alone.

— OUR STORY

The road is easier walked together.

Eastern Carolina Emmaus (ECE) is a community of Christian adults across eastern North Carolina who host the Walk to Emmaus: a three-day experience where pilgrims step out of the ordinary and meet Christ again on the road.

The name comes from Luke 24, where two disciples walk the seven miles from Jerusalem to Emmaus, grieving and confused, and a stranger joins them. They only recognise him when he breaks bread at their table. Our identity follows the same arc: an ordinary road, a companion alongside, an open table and a heart set alight.

After the weekend, the journey continues in the *Fourth Day*: reunion groups, serving on future walks, sponsoring others, prayer vigils and gathering as a community. The brand has to serve both moments: inviting someone to their first walk, and keeping thousands of Fourth Day pilgrims connected.

“Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?”

LUKE 24:32 · NIV

MISSION, IN ONE LINE

To walk alongside Christian adults in eastern North Carolina, so they come to know Christ more deeply and go home to serve Him where they live.

Working draft. ECE's board to confirm the exact wording.

— AUDIENCES

Who we speak to

Six groups visit the site and read our materials. Each is looking for something different, so every page and post should know which of them it is for.

Pilgrims

Adults considering, or registered for, their first walk. Often invited by a friend and a little unsure. **They need:** reassurance, clear dates and costs, what to bring.

Sponsors

Fourth Day members bringing someone they love to Emmaus. **They need:** a simple way to sponsor one or more pilgrims and pay, and guidance on their role.

Behind the Scenes (BTS)

Past pilgrims who want to serve on a walk. **They need:** to say where they would like to help, and to know the board reviews every application.

Prayer Partners

Our own and other Emmaus communities covering the weekend in prayer. **They need:** to see open 30-minute vigil slots and sign up quickly.

Donors

Members, churches and friends supporting scholarships and walk costs. **They need:** trust, a valid 501(c)(3) receipt, and a smooth way to give.

Board & Leaders

The volunteers who run ECE. **They need:** consistent templates, a members' area for shared files, and professional mailboxes.

— BRAND PERSONALITY

Reverent, warm & welcoming

WE ARE	...WHICH LOOKS LIKE	WE ARE NOT
Reverent	Burgundy, gold and quiet space; scripture set with care	Stiff or churchy
Warm	Candlelight tones, parchment paper, real faces	Sentimental or saccharine
Welcoming	Plain words, clear next steps, room for newcomers	Insider or exclusive
Timeless	Classical letterforms, engraved illustration	Trendy or flashy
Humble	The story leads and the brand serves it	Self-promoting

PRIMARY TAGLINE

The road is easier walked together.

Use on the home page hero, cover pages, banners and the back of business cards. Set in Marcellus, sentence case, with the full stop.

SUPPORTING LINES

- ◆ Step out of the ordinary. Meet Christ on the road.
- ◆ Three days. A lifetime of Fourth Days.
- ◆ De Colores! Community greeting. Use as a script accent only.

02

our mark

Logo

A cross over eastern North Carolina. It says who we are and where we serve.

▲ ILLUSTRATIVE RENDERING. THE FINAL MARK WILL BE THE NEW VECTOR REDRAW OF THE ECE LOGO PENNY SUPPLIED.

— THE MARK

A cross over the land we serve

ECE's logo pairs the cross with the outline of North Carolina. We are rebuilding it as clean, original vector artwork so it stays sharp at every size, from a business-card corner to a banner at the retreat centre.

ANATOMY

- ◆ **The cross:** Christ at the centre. It rises above the state line, the one element that breaks the frame.
- ◆ **North Carolina:** our home. The cross stands in the east, where our community lives and walks.
- ◆ **Wordmark:** “Eastern Carolina” in tracked Montserrat; “Emmaus” in Marcellus, the brand's display face.

Protect the artwork. Always place the logo from the master files in the asset library. Never retype, redraw or trace it from a screenshot.

— LOGO VERSIONS

Four lockups, one family

**A · PRIMARY HORIZONTAL**

Default. Website header, letterhead, email, most uses.

**B · STACKED**

Square and portrait spaces: covers, name tags, banners.

EASTERN CAROLINA
Emmaus

C · WORDMARK

Where the mark already appears nearby, or space is very wide and short.

**D · MARK & AVATAR**

Favicon, Facebook profile, stamps, embossing. Never at the start of a document.

— CLEAR SPACE

Give it room to breathe

THE RULE

Keep a clear margin equal to **X** on every side of the logo, where **X** is the height of the cross's crossbar-to-top span (about one-third of the mark's height). Text, images, edges and other logos stay outside this zone.

MINIMUM SIZES

VERSION	PRINT	SCREEN
Horizontal	1.5 in wide	160 px wide
Stacked	0.9 in wide	110 px wide
Wordmark	1.2 in wide	130 px wide
Mark only	0.3 in wide	24 px (favicon 32 px)

Below these sizes the words “Eastern Carolina” stop being readable. Switch to the mark alone instead.

— COLOUR VERSIONS

Approved logo colourways

PRIMARY · BURGUNDY ON PARCHMENT

First choice for everything.

REVERSED · PARCHMENT ON BURGUNDY

Burgundy bands, footers, business card backs.

SPECIAL · GOLD ON INK

Formal pieces only: certificates, foil and embossing.

ONE COLOUR · BLACK

Office printers, faxes, newspaper, rubber stamps.

ONE COLOUR · WHITE

Over dark photography (with a burgundy scrim if needed).

ACCENT · VINE OLIVE ON LINEN

Sparingly, for Fourth Day / reunion-group materials.

— PLEASE DON'T

Keep the mark intact

× STRETCH OR SQUASH

Always scale proportionally. Hold Shift.

× RECOLOUR

Use only the colourways on the previous page.

× ROTATE OR TILT

The cross always stands upright.

× ADD EFFECTS

No shadows, glows, bevels or gradients.

× CHANGE THE TYPEFACE

The wordmark is artwork, not live text.

× BUSY BACKGROUNDS

Place on flat brand colour or a calm, darkened image.

× OUTLINE OR REBUILD

Don't convert to outlines or trace a new version.

× CROWD OR OVERLAP

Respect clear space. Nothing sits on the mark.

candlelight & stone

Colour

A palette drawn from the sanctuary: communion wine, old stone, chalice gold, parchment pages and the green of the vine.

— CORE PALETTE

Our colours

Two anchors carry the brand: **Emmaus Burgundy** and **Parchment**. The supporting tones give warmth and depth without adding noise.

 Emmaus Burgundy HEX #6B1F26 RGB 107 · 31 · 38 CMYK 30 · 95 · 75 · 40 <i>Primary. Headers, bands, buttons, the logo.</i>	 Parchment HEX #F6F1E9 RGB 246 · 241 · 233 CMYK 2 · 4 · 8 · 0 <i>Primary. Page background. Use instead of pure white.</i>	 Rosewood HEX #A55E5C RGB 165 · 94 · 92 CMYK 25 · 70 · 60 · 10 <i>Nav bars, script accents, links on dark.</i>	 Linen HEX #E8DDD0 RGB 232 · 221 · 208 CMYK 7 · 11 · 17 · 0 <i>Alternate section backgrounds, cards.</i>	 Ink HEX #2B2325 RGB 43 · 35 · 37 CMYK 60 · 70 · 60 · 75 <i>Body text. Softer than black.</i>
--	---	---	--	---

CMYK values are starting points for coated stock. Always approve a printed proof, because burgundy shifts noticeably between printers and papers. A Pantone match will be set at the first proof.

— ACCENT PALETTE

Accents, used with restraint

— PROPORTION

How much of each

Pages should feel **light and calm**, with burgundy used in confident bands, never scattered. A typical web page alternates Parchment → Linen → a Burgundy band → Parchment, the rhythm used in the reference themes.

— TINTS

100 · 80 · 60 · 40 · 20%. Use tints for charts, table stripes and form states only.

— ACCESSIBILITY

Readable for every pilgrim

Many in our community read on phones, in bright sun or with older eyes. All text must meet **WCAG 2.1 AA** contrast: 4.5:1 for body text and 3:1 for large text (18pt+, or 14pt bold).

Watch Rosewood and Gold. They are beautiful but light. Use Rosewood only for large or script text on Parchment, and keep Gold for ornaments.

SAMPLE	COMBINATION	RATIO	USE FOR

Free to Serve

✓ ONE SCRIPT PHRASE, ABOVE A MARCELLUS HEADLINE

Script introduces the headline, like the reference themes. One per page or layout.

*Registration closes on the

before the walk*

✗ SCRIPT FOR INFORMATION

Dates, prices, instructions and names are always in Crimson Pro or Montserrat.

**SPONSOR A

Headlines are Marcellus in sentence case. Uppercase belongs only to small tracked Montserrat labels.

ALIGNMENT

Left-align body text. Centre only short headlines, quotes and cards.

45–75 characters per line. On the web, cap text columns at ~680 px.

TRACKING

Uppercase Montserrat: +16 to +30%.
Marcellus and Crimson: default. Never track script.

EMPHASIS

Use *italic* in body text and colour (Burgundy) for links. Avoid underlining for emphasis.

light & line

Imagery & Graphic Elements

Warm, honest photography and hand-engraved illustration:
sanctuary light, open hands and the long road home.

— PHOTOGRAPHY

Sanctuary light, real people

Our photographs feel like being there: warm natural light, candle glow, stone and wood, hands and faces in genuine moments. Close crops and shallow depth of field keep attention on what matters.

LOOK FOR

- ◆ Hands: praying, breaking bread, serving, holding a candle
- ◆ Stained glass, arches and light falling across a room
- ◆ Eastern NC landscapes: country roads, fields, water at dawn
- ◆ Fellowship: laughter, embraces, a shared table

▲ THESE ARE ART-DIRECTION FRAMES. REPLACE THEM WITH ECE'S OWN PHOTOGRAPHY.

SANCTUARY · STAINED GLASS

— COLOUR TREATMENT

One warm, consistent grade

1 • NATURAL

Straight from camera. Fine for news and event recaps.

2 • BRAND WARM GRADE

Default. Slightly warmer, softly desaturated, lifted shadows. Ask SAM IT for the preset.

3 • BURGUNDY DUOTONE

For hero banners and headers with text on top. Keeps any photo on-brand.

✓ DO

- ◆ Use ECE's own people and places, with permission
- ◆ Keep a burgundy scrim (Deep Wine, 40–60%) under any text on photos
- ◆ Credit photographers in captions when asked

✗ DON'T

- ◆ **Never photograph or describe weekend moments kept as a surprise** for future pilgrims
- ◆ Use generic stock clichés, heavy filters, flash-lit snapshots or blurred phone crops
- ◆ Show a pilgrim's face without consent, or any minor at all

— ILLUSTRATION

Engraved line art

Like the chalice and the Madonna engravings in our reference themes, ECE illustrations are fine line drawings with hatched shading, the look of an old Bible plate. They add warmth where we have no photograph, and sit behind content as quiet watermarks.

- ◆ Line colour: **Sepia** on light, **Blush** on burgundy
- ◆ As a watermark: 25–40% opacity, bleeding off the edge
- ◆ One illustration per section. Never crowd them.

**TORN-PAPER EDGE**

Softens the join between a photo or burgundy band and the next section.

**FRAMED CARD**

**GOLD DIAMOND RULE**

Divides sections of letters, programs and certificates.

**EYEBROW WITH DASH**

Labels every section heading, as in the Eden reference.

how we sound

Voice & Language

We write the way a good sponsor talks: warm, plain, honest
and never in a hurry.

— TONE OF VOICE

Four voice principles

Invitational

We invite and never pressure. “You’re welcome to…” rather than “You must…”.

Plain

Short sentences and everyday words. Explain our terms the first time a newcomer meets them.

Warm

Speak to “you,” say “we.” Sound like a friend who has walked this road before.

Reverent

Scripture and prayer are handled with care, never as decoration or a sales line.

MOMENT	INSTEAD OF...	WE SAY...
Hero	Register now for our upcoming Walk to Emmaus event!	The road is easier walked together. Walk #47 begins Thursday, October 22.
BTS	Apply for leadership positions below.	Tell us where you'd like to help. The board prayerfully reviews every application and will let you know its decision.
Donate	Your donation is needed urgently.	Your gift helps someone take their first walk. Every gift is receipted for your tax records.
Prayer Vigil	Fill an empty slot in the prayer schedule.	Hold the weekend in prayer. Choose a half hour, and pilgrims will know you were there.

The newcomer test. Before publishing, read it as someone who has never heard of Emmaus. Would they know what we mean, what happens next, and that they are welcome?

Keep the surprises. Describe the weekend's shape (arrival, candlelight, closing), never its details. Future pilgrims deserve to experience it fresh.
